

CampoSlate

Guarantee Certificate

CAMPO SLATE, supplier and distributor of natural slate guarantees for a period of:

75 Years

the products commercialized within its companies Campo Lombao SL, Europizarras SA, Campo Cabana SL y Campo Slate SL.

This guarantee is valid if:

- *the slates are proven to be from Lombao, Campo Cabana o Villardao.
- *the commercialized slate is within the CE, NF or ATG demands (Tests such as: Gel resistant, water absorption, presence of pyrite, rust & flexibility)
- *the slate does not suffer natural ageing
- *the slate does not suffer a natural climate phenomenon (hail, storms, cyclones...)
- *the slate is placed according to the country's regulations and by an accredited roofer
- *the breakage is not due to inappropriate manipulation/usage or due to an unprofessional movement on the roof
- *it is permitted the examination of the faulty product and a report is made of the building site (photos, videos and samples are taken)
- *this guarantee has been sent no longer than 3 months after the slate has been supplied.

Slate that are in accordance with the above mentioned and are in fact faulty, will be replaced free of charge.

(The number of slates replaced cannot exceed the number of slate supplied)
